

Documentation

Here's the description of the columns in the cyber dataset.

1. [Basic information](#)
2. [CIS controls affected in the incident](#)
3. [Information on losses occurred as result of the incident](#)
4. [Financial information of the company at the time of the announcement of the incident](#)

Basic information

Column name	unit	Description of the column
company_name	string	Name of the company
date_published	date	Date of announcement
date_of_breach	date	Date of incident
date_of_breach_end	date	Date of end of incident
total_records_breached	integer	Total number of breached records
pii_breached	boolean	If Personal Identifiable Information (PII) was breached
num_pii_breached	integer	Number of PII records breached
ssn_breached	boolean	If Social Security Numbers (SSN) was breached
num_ssn_breached	integer	Number of SSN records breached
phi_breached	boolean	If Protected Health Information (PHI) was breached
num_phi_breached	integer	Number of PHI records breached
pci_breached	boolean	If Payment Card Information (PCI) was breached
num_pci_breached	integer	Number of PCI records breached

pfi_breached	boolean	If Personal Financial Information (PII) was breached
num_pfi_breached	integer	Number of PFI records breached
passwords_breached	boolean	If Passwords were breached
num_passwords_breached	integer	Number of Passwords breached

CIS controls affected in the incident

Column name	unit	Description of the column
cis_1_affected	boolean	CIS control #1 affected Inventory and Control of Hardware Assets
cis_2_affected	boolean	CIS control #2 affected Inventory and Control of Software Assets
cis_3_affected	boolean	CIS control #3 affected Continuous Vulnerability Management
cis_4_affected	boolean	CIS control #4 affected Controlled Use of Administrative Privileges
cis_5_affected	boolean	CIS control #5 affected Secure Configuration for Hardware and Software on Mobile Devices, Laptops, Workstations and Servers
cis_6_affected	boolean	CIS control #6 affected Maintenance, Monitoring and Analysis of Audit Logs
cis_7_affected	boolean	CIS control #7 affected Email and Web Browser Protections
cis_8_affected	boolean	CIS control #8 affected Malware Defenses
cis_9_affected	boolean	CIS control #9 affected

cis_9_affected	boolean	Limitation and Control of Network Ports, Protocols and Services
cis_10_affected	boolean	CIS control #10 affected Data Recovery Capabilities
cis_11_affected	boolean	CIS control #11 affected Secure Configuration for Network Devices, such as Firewalls, Routers and Switches
cis_12_affected	boolean	CIS control #12 affected Boundary Defense
cis_13_affected	boolean	CIS control #13 affected Data Protection
cis_14_affected	boolean	CIS control #14 affected Controlled Access Based on the Need to Know
cis_15_affected	boolean	CIS control #15 affected Wireless Access Control
cis_16_affected	boolean	CIS control #16 affected Account Monitoring and Control
cis_17_affected	boolean	CIS control #17 affected Implement a Security Awareness and Training Program
cis_18_affected	boolean	CIS control #18 affected Application Software Security
cis_19_affected	boolean	CIS control #19 affected Incident Response and Management
cis_20_affected	boolean	CIS control #20 affected Penetration Tests and Red Team Exercises
originated_from_3rd_party	boolean	If the incident originated from a third party

Information on losses occurred as result of the incident

Column name	unit	Description of the column
<code>total_loss</code>	dollars	Total loss (in \$)
<code>loss_total_sources</code>	string array	Sources for total loss
<code>loss_dte_cost</code>	dollars	Losses concerning Determination of Cyber Event Extent (in \$)
<code>loss_dte_sources</code>	string array	Sources concerning Determination of Cyber Event Extent
<code>loss_ruf_cost</code>	dollars	Losses concerning Replacement or Upgrade of Faulty Controls (in \$)
<code>loss_ruf_sources</code>	string array	Sources concerning Replacement or Upgrade of Faulty Controls
<code>loss_rvl_cost</code>	dollars	Losses concerning Review of Necessary Legal and Regulatory Actions (in \$)
<code>loss_rvl_sources</code>	string array	Sources concerning Review of Necessary Legal and Regulatory Actions
<code>loss_nmr_cost</code>	dollars	Losses concerning Notification, Credit Monitoring, Credit Restoration (in \$)
<code>loss_nmr_sources</code>	string array	Sources concerning Notification, Credit Monitoring, Credit Restoration
<code>loss_vrf_cost</code>	dollars	Losses concerning Vendor and Regulatory Fines and Compliance (in \$)
<code>loss_vrf_sources</code>	string array	Sources concerning Vendor and Regulatory Fines and Compliance
<code>loss_trf_cost</code>	dollars	Losses concerning Third Party Litigation and Damages (in \$)
<code>loss_trf_sources</code>	string array	Sources concerning Third Party Litigation and Damages

<code>link_sources</code>	string array	Additional sources of information
---------------------------	-----------------	-----------------------------------

Financial information of the company at the time of the announcement of the incident

Column name	unit	Description of the column
<code>stock_symbol</code>	string	Stock symbol
<code>stock_date</code>	date	Date of the stock price before the incident (max 30 days)
<code>adjusted_close_price</code>	dollars	Adjusted close price of the stock
<code>num_employees</code>	integer	Number of employees
<code>industrial_sector</code>	string	Industry Classification Benchmark (ICB) sector

Each of the following financial features is available at different time intervals relative to the date of announcement. For each of those features `<feat>` , we have available the values for:

- `<feat>_m1` : The `<feat>` value on the fiscal quarter previous to the date of announcement
- `<feat>_p1` : The `<feat>` value on the fiscal quarter after the date of announcement
- `<feat>_p2` : The `<feat>` value 2 fiscal quarters after the date of announcement
- `<feat>_p3` : The `<feat>` value 3 fiscal quarters after the date of announcement
- `<feat>_p4` : The `<feat>` value 4 fiscal quarters after the date of announcement

Column name	unit	Description of the column
<code>statement_date_*</code>	date	Publication date of the quarterly financial data
<code>revenue_*</code>	dollars	Revenue
<code>nop_inc_*</code>	dollars	Non-Operating Income- Total
<code>sga_exp_*</code>	dollars	Selling, General and Administrative Expenses
<code>rd_exp_*</code>	dollars	Research and Development Expense
<code>op_exp_*</code>	dollars	Operating Expense- Total

eps_op_*	dollars	Earnings Per Share from Operations
ir_exp_*	dollars	Interest and Related Expense- Total
pretax_inc_*	dollars	Pretax Income
inc_tax_*	dollars	Income Taxes - Total
disc_op_*	dollars	Discontinued Operations
net_inc_*	dollars	Net Income
ycc_equi_*	dollars	Yearly Cash and Cash Equivalents - Increase (Decrease),
st_inv_*	dollars	Short-Term Investments - Total
receiv_*	dollars	Receivables - Total
invent_*	dollars	Inventories - Total
cur_assets_*	dollars	Current Assets, Total
cur_assets_oth_*	dollars	Current Assets, Other, Total
lt_inv_*	dollars	Total Long-term Investments
ppe_*	dollars	Property, Plant and Equipment - Total (Gross)
goodwill_*	dollars	Goodwill (net)
int_assets_*	dollars	Intangible Assets - Total
dda_*	dollars	Depreciation, Depletion and Amortization (Accumulated)
assets_*	dollars	Assets - Total
debt_liab_*	dollars	Debt in Current Liabilities
curr_liab_*	dollars	Current Liabilities - Total
lt_liab_*	dollars	Long-Term Liabilities (Total)
lt_debt_*	dollars	Long-Term Debt - Total
liab_oth_*	dollars	Liabilities - Other

liab_*	dollars	Liabilities - Total
pp_stock_redeem_*	dollars	Preferred/Preference Stock - Redeemable
pp_stock_cap_*	dollars	Preferred/Preference Stock (Capital) - Total
ret_earn_*	dollars	Retained Earnings
tr_stock_*	dollars	Treasury Stock - Total (All Capital)
cap_ssp_res_*	dollars	Capital Surplus/Share Premium Reserve
sth_eq_*	dollars	Stockholders Equity - Total
dep_amr_*	dollars	Depreciation and Amortization - Total
